**PLASTER  
MAGIC®**

FOR THE ULTIMATE PLASTER REPAIR™

## **-ESTIMATING GUIDE-**

<b>Product Size</b>	<b>Estimated Coverage</b>
<b>Adhesive, 10 oz. cartridge</b>	<b>3 lineal feet loose crack</b>
<b>Contractors Pack</b>	<b>48 lineal feet loose crack</b>
<b>Painters Pack</b>	<b>18 lineal feet loose crack</b>
<b>Homeowners Pack</b>	<b>9 lineal feet loose crack</b>
<b>Contractors Patching Plaster</b>	<b>500 square inches</b>
<b>Painters Patching Plaster</b>	<b>250 square inches</b>

**ALL PRODUCTS MUST BE USED ACCORDING TO INCLUDED INSTRUCTIONS.**

**PLASTER MAGIC ADHESIVE AND CONDITIONER REATTACHMENT KITS:**

**There must be space between the plaster and lath for the adhesive and conditioner to go, which is why the estimating guide is based on lineal feet of loose crack. Also, I kept usage records for two years and used those for these estimated repair figures.**

**PLASTER MAGIC PATCHING PLASTER: Estimated coverage includes enough plaster to be ½" thick and have well developed keys.**
